In the first quarter the Tigers kicked off, Creary, or the high school eleven receiving the ball. A 25-yard run along with end runs and line bucking won many yards for the high school team. P. H. S. lost the ball and the Tigers made another kickoff which Creary caught for a 35-yard run, returning the ball to where it was first kicked off. The first quarter ended with the ball on the Tiger 12-yard line.

P. H. S. lost the ball on a forward pass in the beginning of the second quarter, Creary recovering the ball on a kick. Olsen of the P. H. S. brought the ball up to the Tiger's one yard line and the half ended without score, both sides having put up a hot contest for victory.

In the second half the high school eleven rallied and Jones made a 15yard run for a touchdown. Schook failed to kick. Olsen followed up close ly with another touchdown and the game ended because of darkness, 12 to 0 favoring the high school eleven.

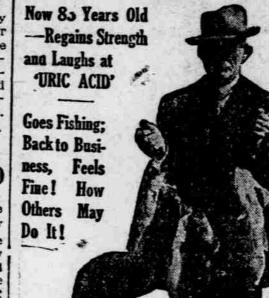

A. Olsen, L. Creary and H. Jones featured the high school tactics with goods plays while J. Olsen and R. Wallace were the feature men for the

#### Finds Cure for Rheumatism Atter Suffering Fifty Years!

"I am eighty-three years old and I doctored for rheumatism ever since I came out of the army, over fifty years ago. Like many others, I spent money freely for socalled 'cures,' and I have read about 'Urio Acid' until I could almost taste it. I could not sleep nights or walk without pain; my hands were so sore and stiff I could not hold a pen. But now I am again in active business and can walk with ease or write all day with comfort. Friends are sur-prised at the change."

#### HOW IT HAPPENED.

Mr. Ashelman is only one of thousands who suffered for years, owing to the general belief in the old, false theory that "Uric Acid" causes rheumatism. This erroneous belief induced him and legions of unfortunate men and women to take wrong treatments. You might just as well attempt to put out a fire with oil as to try and get rid of your rheumatism, neuritis and like complaints, by taking treatment supposed to drive Uric Acid out of your blood and body. Many physiciars and scientists now know that Uric Acid never did, never can and never will cause rheumatism; that it is a natural and necessary constituent of the blood; that it is found in every new-born babe, and that without it we could not live!

#### HOW OTHERS MAY BENEFIT FROM A GENEROUS GIFT

These statements may seem strange to some folks, because nearly all sufferers have all along been led to believe in the old "Uric Acid" humbug. It took Mr. Ashelman fifty years to find out this truth. He learned how to get rid of the true A good many people need an educa-tion with which they can earn a good living. Pan-American College.—Adv.
